

Dr. SHARIF UDDIN

Associate Professor

LL.M, Aligarh Muslim University; PhD North Bengal University.

Teaching Experiences: 23 Years

Area of Interest: Environmental Law.

Dr. Sharif Uddin is Associate Professor and Principal of the Shillong Law College. He did his B.A. (Hons), LL.B. and LL.M. from Aligarh Muslim University and obtained Ph.D. in Environmental Law from North Bengal University, Darjeeling, West Bengal. He is a prominent law teacher for the last 23 years with administrative experience of about 12 years. His area of specialization is Environmental Law. He authored three books and a number of research papers published in refereed journals. His research interests, publications and research projects are in the fields of human rights, equality and gender justice, IPR, traditional knowledge and customary laws. He has been guiding students of various universities (IGNOU; ANU, Guntur) in their dissertations. He presented academic papers in various seminars at the national and state levels. He is actively engaged in curricular development and was instrumental in the framing of New Syllabi introduced by NEHU in 2002 & 2009 for the three-year LL.B. He is a member of many important academic and administrative Boards/Committees in NEHU (BUGS, Academic Council, School Board of Social Sciences). He was also member of State Level Audit Advisory Board, Meghalaya. As principal of the Shillong Law College and Patron of the Legal Care and Support Centre of the college he is instrumental in engaging the faculty members and students of the college in various activities relating to legal awareness programmes, legal aid and legal services to the people in need.
